SIR

I have the honour to state that the Government, in their Order No L 1692-6/11 19-40-9 dated 26-8-1940, sanctioned the scheme of acquisition of properties for continuing the B V Krishna Iyengar Road to join the Arcot Sreenivasachar Street, Bangalore City

The Special Land Acquisition Officer who was appointed to take up acquisition proceedings passed awards in 54 cases But award notices were not issued to the owners of the properties as the Municipal Council at their Meeting held on 20-4-1942 resolved that the acquisition scheme might lie over till the war was over

The Municipal Council at their Meeting held on 12-6-1943 - have again resolved that the question of continuing the B V Krishna Iyengar Road which had been deferred last year may be taken up this year and completed during 1943-44

This acquisition scheme consists of about 181 cases Also there is a proposal to acquire about 50 properties in Gangammacherry in respect of which the final notification is under issue In addition to these two big schemes,there are several other proposals which require early disposal as they are pending for a long time

The Municipal Commissioner cannot find sufficient time to dispose of all these proposals The Municipal Council have, at their meeting held on 25-6-1943 resolved to appoint a Special Land Acquisition Officer with the marginally noted establishment ~~for~~

One clerk on Rs 40/- per month
One Clerk on Rs 25/- "

for a period of 6 months at the first instance, the expenditure on this account being met out of the provision to be made Under "D'(3) Compensation" in the budget estimate for the year 1943-44

12

I request therefore that sanction of Government may be kindly obtained to the appointment of the Special Land - Acquisition Officer of the status of an Assistant Commissioner and the staff referred to above for a period of 6 months

Copies of the resolutions of the Municipal Council dated 12-6-1943 and 25-6-1943 are herein enclosed for favour of - reference

I have the honour to be
Sir
Your most obedient servant

Forwarded with compliments

MUNICIPAL COMMISSIONER 2/7

In addition to the scheme mentioned, recently Government have sent a proposal to improve the area in Rajkhand Upparahalli in which also, a number of buildings have to be acquired for opening out new roads and obtain consent on A.C. in the stage in the Municipality is overworked and unless the new staff is sanctioned, the progress would be very slow so, an early sanction of the above, would facilitate the starting of the acquisition proceedings

Another proposal to improve the tax base is in contemplation by shifting the yard to Magadi Road, is also before the C & E This also would involve acquisition of several properties

Office Note No L1-1888/42 dated 23rd June '43 15

The Municipal Council at their Meeting held on 12-6-1943 have resolved that the question of continuing the B V Krishna Iyengar Road which had been deferred last year be taken up this year and completed during 43-44

This acquisition scheme consists of three stages The first stage consists of 65 properties and the second and third stages consists of 116 properties Hence the total number of acquisition cases will be 181

There is another proposal to acquire some properties in Gangammacherry This proposal consists of about 50 properties Preliminary Notification in respect of these properties has been published and the final notification has to be sent to Government

In addition to these two big schemes there are several acquisition proposals in connection with - formation of sites, removal of conjestion and formation of roads which require immediate action

The Municipal Commissioner may not find sufficient time to dispose of all these acquisition cases The acquisition cases on hand will afford full work for a wholetime officer for about 6 months

It is therefore suggested that a Special Land - Acquisition Officer and two clerks for a period of six months on Rs 40/- and Rs 25/- per mensem, respectively may be appointed and a recommendation may be made to Government in the matter

This may be placed before the Council
